

TRACTORS, UTVS AND NOW ZERO TURN MOWERS...

What seat will you take?

SPRING/SUMMER **23**

A MESSAGE FROM THE GENERAL MANAGER

The latest edition of the Kioti Spring/Summer catalogue has been released, showcasing a fresh new look and introducing exciting new models from Kioti.

As a leading South Korean agriculture engineering and manufacturing company, Kioti continues to expand its range by unveiling the highly anticipated ZXD Series diesel zero-turn mowers. This new lineup includes two models: the ZXD61 and ZXD72. By incorporating their renowned diesel engines into the ZTR line-up, Kioti offers customers the opportunity to experience their exceptional reliability in a diesel zero-turn mower.

These mowers feature a robust shaft-driven reinforced seven-gauge fabricated steel deck, ensuring durability and strength. Similar to Kioti's tractors, these diesel mowers are designed to be hard-working, dependable, and user-friendly. With a focus on efficiency, precision, and power, this new series provides customers with a resilient and high-performing mower that can effortlessly tackle any lawn.

To explore these impressive mowers, visit your local Kioti dealer during the spring mowing season.

Greg Clark
GENERAL MANAGER
GROUNDS CARE DIVISION

OUR 4 YEAR WARRANTY

All Kioti tractors ranging from 25hp up to 140hp come with a standard two year or 1500 hour warranty covering all components on the tractor.

To complement this great coverage Kioti tractors have an additional Driveline coverage to a maximum of four years or 2000 hours for all models, which is standard with every tractor purchased (excepting K9 UTV, which comes with a standard 2 year warranty).

This coverage is a manufacturer's coverage and not offered by a third party insurer and has no extra costs or excess required to be paid. A basic overview of the coverage includes engine, transmission, differentials, axles and all parts contained therein.

Furthermore, we provide a warranty package for our zero-turn mowers, including a standard 2-year/unlimited hour warranty, Powertrain warranty of 4 years/1500 hours, whichever occurs first.

*24 months 1500 hours Full Warranty (Tractors only)
48 months 2000 hours Powertrain Warranty (Tractors only)
24 months Unlimited Hours (Zero-Turn Mowers only)
48 months 1500 hours Powertrain Warranty (Zero-Turn Mowers only)
24 months 1500 hours Full Warranty (K9 UTVs only)

CS SERIES

25HP

Perfect for the owner who has small acreage, this tractor features a 3 cylinder 25hp engine with a large power output and low fuel consumption giving you hours of continuous work.

The large, open step-through platform enables easy accessibility, free of obstructions, when getting on and off, alongside an ergonomically designed work

station that places all operator controls within easy reach.

With its twin pedal controlled HST, the CS2610 is built to be user friendly during mowing, front end loader work or any other day-to-day tasks at hand.

DK SERIES

48-58HP

The DK Series tractors are among the most all-round tractors on the market. Available in 48 and 58hp, this tractor is suitable for use around the home as well as on the farm.

This range comes standard with a 3 range HST transmission, twin pedal operation, 48L fuel tank and a one-piece hood design which enables easy and unimpeded access for serviceability.

The DK Series also has plenty of room in the operator's platform that allows for easy access without obstructions. Electronic cruise control, link pedal, diff lock and a 1,232kg max rear lift capacity are offered as standard.

Optional sub-frame backhoe is available with a digging depth of 2.3m.

EX SERIES

53-58HP

The EX Series tractors offer extra power, extra standard features and extra comfort.

There are two engine offerings (53hp and 58hp) and numerous features like a 12x12 transmission with a smooth forward and reverse shuttle, two sets of standard rear remotes, 1,131kg max rear lift capacity and three speed PTO.

The flat platform operator area has a non-slip mat, foot operated tilt steering column and a fully adjustable deluxe suspension seat, making for all day comfort.

The EX models also have an optional subframe mounted quick attach backhoe with a digging depth of 2.3m.

NX SERIES

60HP

The NX Series gives you premium quality and high specification. CAB and ROPS models are both available in a 60hp, 3 range twin pedal HST transmission with link pedal (auto throttle), anti-stall system and 2x rear remotes standard.

The state of the art cabin provides the user with better visibility and improved noise protection, as well as air-conditioning and heating - just like all the luxuries you're used to in the car.

The newly designed bonnet enables quick and convenient access for maintenance and, once again, there is plenty of room to enter and exit this tractor without obstructions.

Electric switch PTO engagement, diff lock, 36.4L/PM at remote and a 1,605kg max rear lift capacity are also standard features of the NX.

THE **NEXT** CHAPTER

The HX Series is very much the premium division of Kioti. These are the ultimate utility tractors, with a sturdy, imposing footprint ideal for rugged paddock work, heavy duty lifting, road travel and all manner of towing implements.

They are made tough, backed by Kioti's peerless reputation for reliable and highly manoeuvrable models. Thanks to the HX's boost in lifting capacity, they are also widely applicable – be it land cultivation, baling, moving dense materials or pulling trailers, sprayers, feed mixers or mowers.

The 4-cylinder turbocharged, 3.8 litre engines are Kioti built, with outputs at 130hp and 140hp respectively. Each model features a 8 speed powershift 32x32 transmission, with auto powershift, 'Hi' / 'Low' range and creep range. The top speed is a pinch over 40 km/h, with creep speed at 0.38 km/h.

K9 UTILITY VEHICLES

A fully featured, tough and reliable UTV, the K9 has a 3-cylinder, 24hp engine and 2 speed CVT transmission. It makes for a great companion for any job.

The K9 has a ground speed of up to 50km/h, 37L fuel tank, 3 or 5 seat capacity, hydraulic power steering and independent double arm wishbone suspension.

One of the features that sets the K9 apart from the competition is the hydraulic tip tray, which has a cargo capacity of 500kg and a generous cargo bed measuring 1100mm long x 1480mm wide and 293mm high.

The K9 also has an updated digital dashboard that is now situated in front of the driver rather than off to the side.

ZXD ZERO-TURN ARRIVING MID OCTOBER

The Kiotei ZXD Diesel Series is set to pleasantly surprise and delight Kiotei enthusiasts, blending the familiar components they adore with the added power of diesel. Equipped with a robust 1.2L Kiotei diesel engine and direct drive transaxles, this machine operates seamlessly without relying on a drive belt.

Customers can select from either a 61- or 72-inch deck, both featuring a rugged frame, a shaft-driven reinforced 7-gauge fabricated

steel deck, and semi-pneumatic front casters for superior durability. Furthermore, it offers unparalleled operator comfort with a premium rubber-isolated 3-inch suspension seat and an articulating front axle, ensuring reduced fatigue and a more enjoyable mowing experience throughout the day.

Elevate your outdoor experience today with our cutting-edge zero-turn mowers.
